ART UNIT PAPER

01072005

DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on July 26, 2004 for application serial number 10/014,183 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): it is not in compliance with 37 CFR 1.121. The amendment filed on July 26, 2004 lists independent claim 4 as "original" and claims 3 and 8 as "previously presented". However, claims 3, 4, and 8 should read "currently amended" in the indication of the claim status, see page 3, lines 9 and 12, page 4, line 8 of the amendment filed July 26, 2004. Specifically, claim 4 has been amended to recite "A system (100) for providing a user profile, comprising user profile maintenance means (110) for maintaining the user profile, wherein the user profile is at least based on content viewed by a user, visualization..."; claim 3 should have a strike through the "or 2" to indicate that the presently amended claim depends on claim 1 alone; and claim 8 should have a strike through (line) the "or 5" to indicate that the presently amended claim depends on claim 4. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, the applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cheryl Lewis whose telephone number is (571) 272-4113. The examiner can normally be reached 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Breene can be reached on (571) 272-4107. The fax phone number for the organization where the application or proceeding is assigned is (703) 872-9306 or (703) 305-9731.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
